

Patient Cancellation/No Show Policy for Surgery

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, due to extensive time needed for surgery, last minute cancellations may prevent another patient from getting much needed treatment.

If surgery is not cancelled at least 48 hours in advance you will be charged 50% of the surgery fee (for patients with deductibles) Or \$75.00 (for patients with co-pays) that will be solely patient responsibility (not covered by insurance).

Atlas Dermatology understands that on occasion emergency situations may occur that prevent a 48 hour notice. Inclement weather is one such situation. These cases will be handled on an individual basis at the discretion of Atlas Dermatology.
